Build Your Arizona Marketing Plan

The Independent Insurance Agents and Brokers of Arizona (IIABAZ) invites you to take part in the Partners Program designed with your company's marketing goals in mind.

Using a tiered approach, our Partners Program allows each company to choose a partnership based on the level of interaction and visibility they are looking for with Arizona independent agents. All our partners levels provides companies with maximized, year-round exposure to IIABAZ member agencies and their employees at a reduced price.

Benefits include:

- Support: We advocate your purpose and make it known your support helps underwrite the costs of providing an event, program, or service to independent insurance agents.
- Substantial Savings: The value of the various sponsorships and benefits you receive significantly exceed the cost.
- First Choice: Guaranteed first opportunity to sponsor programs and new programs created throughout the year and first selection of exhibit booth prime locations.
- Unique Perks: Many of the opportunities presented to our Partners are not available to any other party, such as the Arizona Marketplace Reports.

Your investment as an IIABAZ Partner is an investment in the professional development and economical strength of our industry. As partners, we can work together to share ideas and resources ... cross-market services that benefit Arizona agencies ... and recruit and retain the next generation of independent agents. We invite you to join us as a Partner today! Together we can protect, promote and grow the independent insurance system in Arizona for years to come.

All advertising and sponsorship opportunities will continue to be offered on an A LA Carte basis for the companies that do not opt for the Partners Program.
