CRIS General Liability Insurance for Contractors Seminar

This course provides a general overview of standard commercial general liability insurance and umbrella liability insurance, with specific attention to provisions that most affect coverage or create problems for some or all contractors. It covers elements required to trigger coverage, application of standard policy exclusions, and various standard endorsements, all within a construction context. Suggestions for modifying coverage to address potential coverage gaps and other problematic provisions are provided where appropriate. Class time: 8 a.m. -5:00 p.m. **NOTE:** For an additional \$15, we will provide you with in-house lunch service.
