

# **“Ethical Issues – Personal & Organizational” ABEN Webinar**

## **FREE IIABAZ Member Benefit Webinar – October 23, 2017**

Ethics, in the most simplest of terms, is a study of decision making. Why do people choose to make the right or wrong decision based on a set of circumstances? What are the factors that affect such decisions? The fact is there could be hundreds and they could be different for each person and each decision. That is why in this three hour course we will only scratch the surface of this issue known as ethical decision making.

The IIABAZ partnered with ABEN – the Agents & Brokers Education Network back in 2014. Since that time, very few members have explored the virtues of this wonderful series of online webinars. We now have 23 webinars approved for Arizona CE. Come see how easy it is to use ABEN. The best part is you don't need to pass an exam to earn the CE credit hours. **NOTE:** We are limiting this opportunity to 1-2 people per member agency. That will allow us to introduce the ABEN product to as many IIABAZ member agencies as we can with this offering.
