

What You Say, What You Do

FREE Member Benefit Webinar for all IIBAZ AGENCY members ONLY – Arizona Course Number 107781

Insurance agents and brokers must walk the fine line of promoting themselves and drawing attention to themselves through marketing materials, websites and social media without over-promising. This seminar will talk about the dangers of over-promising and under-delivering both on an Ethical basis and a professional liability basis. **This is the VERY FIRST offering of this course. There will be two more to follow.**

NOTE: Unless you are exempt from CE, you are required to take 6 hours of Ethics CE in order to renew your Arizona insurance license every four years. Please be sure keep track of your Ethics credits and be sure you are not duplicating any programs in the same license term.

To all our member agents that hold a Westport or Allianz E&O Policy from the association – this webinar could qualify you for a 10% discount on your premium. It also can qualify you for **three** free Continuing Education ETHICS Credits. For attendance requirements, please email Mona Enriquez at mona@iibaz.com.
