

Going Under The Hood With the Business Auto Policy

This course is designed to guide experienced professionals to the endorsements (some optional – some possibly mandatory) on a Business Auto Policy. The course will include a reference manual of ISO specimen endorsements for their use. Explanations will be given on the positive and negative implications of the endorsements. Upon completion of this course, the student should be able to:

- Be aware of the many endorsements available using ISO forms
- Sources of information to further research on the various endorsements
- Be aware of E&O implications of the use of or lack of use of the various endorsements

The baseball game between the Arizona Diamondbacks and the San Francisco Giants will follow. First pitch is at 6:40 PM.
