

Ethical Consideration in Arizona/Federal Legislation 2020

FREE Member Benefit Seminar for all IABAZ members.

Each year the Arizona Legislature meets to create/change laws applying to the citizens of Arizona. Laws are also passed on a Federal Level in regards to business dealings in insurance as well as issues for employers/business due to the COVID issues. Not everything is strictly "law" issues, ethical considerations must be made. This one-hour course is designed to show the Ethical responsibilities of knowing about some of these changes on both an Arizona and Federal level. Not only for their business of selling and servicing insurance business, but how these law changes will affect their customers/clients. This one-hour seminar will review the top insurance legislative bills and proposed Federal bills (not yet passed) as well as some court action due to the COVID 19 business problems. Participants will also receive a 4-page summary of what we believe are the bills that will have an impact on agents and their customers and articles regarding Federal Legislation and Court Cases.
